

Deaf Unity's
IN OUR LIVING ROOM
Learning Workshops
For Deaf Women in Fox Cities
Wisconsin Area

Four Saturdays in Fall 2015
September 19th October 3th
November 7th December 12th
9:00 am – 5:00 pm
Harbor House Domestic Abuse

Topics:

1. History of Violence Against Women and Deaf Women

- Learn how women played a very important role in history
- Learn how women struggled with violence and oppression
- Learn how Deaf women played a very important role in the Deaf Community and faced struggles with oppression and violence against women

2. Understanding the Power and Control Dynamics in the Deaf Community

- Learn about power and how it is used, both positively and negatively
- Learn about Power and Control in relationships
- Understand and recognize Power and Control oppression and behaviors in the Deaf Community
- Learn to develop community response

3. Community Accountability

- Explore ways the Deaf Community can be responsive to victims of violence, prevent violence from happening or getting worse, and make perpetrators responsible for their behaviors

4. Leadership Development

- Explore how Deaf women can be involved in the stop violence against women movement
- Learn about Deaf Unity leadership and advocacy opportunities

This will be an opportunity for Deaf women to come together to talk about issues that impact Deaf women in a safe, confidential and respectful manner.

What Participants will get:

- Training stipend of \$200 (after full participation in and certificate of completion of 4 workshops)
- Mileage reimbursements for travel to workshops
- Free lunch during workshops

Requirements:

- 100% commitment to attending
- Full participation in each workshop 9:00 am to 5:00 pm
- Must have 8-10 interested and committed Deaf women
- Registration by August 31st, 2015

If interested or for more information, email rachel@deafunitywi.org

Deaf Unity is Wisconsin's ONLY statewide nonprofit organization serving Deaf victims of abuse.

Our mission statement is:

All Deaf people ~ women, children and men ~ have a right to a healthy and violence-free life.
